Celebrating 5 Years!

5th Annual BARKTOBERFEST 2018

Saturday, October 6th at Stuart Park in Lake Placid

Can we count on your support to help animals in need and the rescues committed to saving them?

In the past 4 years, Barktoberfest Pet Adoption event has successfully found homes for close to 100 animals as they found themselves going home with a loving family. There is no shortage of dogs and cats flooding our shelters that need medical treatment for injuries, illness, abuse and neglect. The need of rehabilitation, behavioral training, socialization with compassionate and patient care is crucial as they are prepared for adoption. For every animal that leaves a shelter, there's another one right behind them waiting for their chance to have the same opportunity. Barktoberfest has offered the public a fun filled day with many activities but more importantly we provide education of animal welfare, animal care, and pet retention. We provide information on low cost spay and neuter programs in Highlands County, valuable information provided by attending Veterinarians and of course Pet Adoptions from several local nonprofit shelters and rescues.

100% of the money raised through sponsorships, raffle tickets sales, silent auction, food drive and donations made during Barktoberfest is given directly back to the participating rescues.
